Chapter 1 by Ravenisk

If I could go back in time to be his friend, I would. Anything is better than what I have now. But we can't change our past, only meet our future. Nowadays, he looks at me with sadness and disappointment. But even so, I want to amend our bonds. It's definitely worth it, after all he is my crush, Seth Lockwood.

It was one day that I saw him walking down the hallway. And it was at that time I knew I had to make my move, after all I was the one that hurt him, deeply if you must know. So it was at that moment that I jogged after him and lightly tapped him on the shoulder. He turned around, his eyes widened with surprise. After all, I was the least person he expected to see in a day's time.
